

Stallion Service Contract for Tzar

This Stallion Breeding Contract is made and entered into on this _____ day of _____, 20____. This agreement is between, Falling Waters Farm Inc. and _____, herein referred to as the Mare Owner. The mare owner reserves a breeding to the FPZV approved stallion Tzar Registration #19983584 for a 2 year live foal guarantee to mare _____ registration #_____.

The stallion service fee is \$1,250.00 that includes a \$300.000 Non-refundable booking fee.

Terms

This agreement will cover shipments of semen for up to 2 years from date of first shipment or when the mare conceives and produces a live foal. A live foal is considered as one who stands and nurses after delivery. In that case this agreement will be considered completed.

General Provisions:

1. Mare will be artificially inseminated and the mare must be healthy and in sound breeding condition. A veterinarian health certificate and uterine culture are highly recommended prior to shipment of semen. If mare fails to settle a foal after 2 cycles, breeder may require mare owner to obtain a current reproductive exam / uterine culture prior to any further shipments.
2. Mare owners Veterinarian must certify that only the mare named above was inseminated and that all unused semen was destroyed.
3. Total fee must be paid prior to shipment of semen.
4. Stallion owner must be informed of mares in foal status upon ultrasound prior to 21 days after last insemination date.

Availability

Falling Waters Farm will make every attempt to ensure prompt delivery of semen at the mare owner' s request. Due to the performance schedule of our Stallion, there may be black out periods. If a black out period is scheduled, it will be posted on the website. Falling Waters Farm collects Monday thru Friday, except Holidays. The stallion is collected before 11:00 A.M. Eastern Time. If a request comes in later, the stallion will be collected on the following day. Our standard shipping provision is FedEx Overnight A.M. delivery. If other shipping is requested, all arrangements will be made, and expenses paid, by the mare owner.

Fees

The mare owner will be responsible to pay \$210.00, prior to the date of shipment. This includes collection of Stallion at Stallion Services, processing fees, and container use. Shipping FedEx would be charged directly to your account, or you may pay Stallion Services \$65.00 for the FedEx charges.

Transfers

The mare owner may transfer this breeding to another mare if for some reason the contracted mare is unable to conceive and is subject to approval of Falling Waters Farm. This would require a \$200.00 transfer fee and written documentation from the inseminating veterinarian that the original mare was not able to conceive or that it is recommended that the mare should not be rebred. The original termination date will apply to transfers. This agreement is not assignable to any mare owner without approval of Falling Waters Farm.
